"Founded in 1974 by Paula Kilgore, The Lunch Box has been serving Fort Worth's Favorite Lunch for over 43 years. From 1982 to 2012, Chris Stellar and family continued the tradition of offering a classic lunch, both in our dining room and catered to luncheons across Fort Worth. Since 2012, our family has owned The Lunch Box and we are proud to offer the same items that have been on the menu since the beginning. We are excited to grow our catering and carry-out business with the addition of a new kitchen space and products from The Black Rooster, another great Fort Worth brand. We look forward to you sharing your meal with us today and keeping The Lunch Box a Fort Worth tradition for another 40 years"

"Founded in 2010, The Black Rooster is Fort Worth's premiere artisan cafe and bakery. From our artisan bread, to our sweet & savory fillings, and all of our laminated doughs; we take every opportunity available to make each item on our menu in house, from scratch. Our ovens and team members work from the early morning hours to late in the evening to ensure the product we put on our counter is the best available in town.

"We look forward to sharing our fresh made treats with you today."
